Unleashed Series by Ali Sparkes - Goodreads

5 star Amazon review for A Life and Death Job: "I love Ali Sparkes' books - and pinch them off my Grandsons as soon as I can. Unleashed . . . is brilliantly researched and quite 'dark' in places but as usual, so exciting you really don't want to read it when you should be doing something else as you won't be able to put it down!"

I love Ali Sparkes Books - and pinch them off my Grandsons as soon as I can. "Unleashed" seems to lean more towards the teenage/adult range than some of her earlier ones. It is brilliantly researched and quite "dark" in places but as usual, so exciting you really dont want to read it when you should be doing something else as you wont be able to put it down!
