One of a few works of
satire written by
African American
women, Oreo is an
uproariously funny
novel about relations
between African
Americans and Jews. It
is as fresh and
outrageous today as
when it was first
published in 1974.

Northeastern's African American students felt it was important to have part of the center in the community because they were the community and knew that the community needed more resources. By the fall of 1970, Northeastern's full-time African American population grew to about 500 students. Many of them came from areas outside Massachusetts.
