Only the major manufacturers tend to place owner's manuals online. Many bicycle computers are rebranded. Look for similarities in appearance and function when trying instructions for a computer not on our list. A Web search on the make and model, plus "manual" or "instructions" sometimes turns up information posted by an owner.

Cyclecomputer and GPS owner's manual database

I'm looking for instructions on the trek sensor pictured above. I received mine off my sisters bike after she passed away in 2001. She was an avid bicycler and speed walker and I would like to continue using the computer in honor of her. I have no idea on how to operate this computer. Any ideas would GREATLY be appreciated, thank- you. im
